Docket No. 98N-1265

Food and Drug Administration

Rockville, MD. 20857

**10PPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies:**

COMMENTS:

I have tried many "regular" prescriptors...  
none have worked. I have a chance  
now of having my symptoms relieved. The  
only compound of prescriptions I can utilize  
comes from across state lines. Please do  
not limit my ability to get the meds. I  
need. I oppose draft M.O.U.
